POWDERPUFF football brings out the peace-loving boys. Showing their peace signs are sophomore Jerry Parker and Junior Ry Mitchem.

JOHN Duncan, Junior, is hurrying to his locker so he can run out to the bus.

Makin' It *Worth* the *Trip*

THERE was a sense of fear and uncertainty, and then of pride and domain as Pocahontas County High School opened its doors once again on Sept. 1, 1992. 483 eager students, a combination of freshmen through seniors, entered as part of the school's new atmosphere. There were freshmen scared to come into the gym, sophomores trying to figure out their purpose, juniors trying to be upper-classmen, and seniors ready to reign.

School life once again took its course and got back to its regular routine. Students and teachers alike joined together to make 1992-93 "Worth the Trip."

FRESHMAN Jamie Warner looks disgusted as his class loses the powderpuff football game.

THINKING about the day's tasks as she gets off the bus is senior Christie Rose.

Pocahontas Life

Makin' Memories!

Makin' Memories, that's what life's all about. And here at Pocahontas County High School, it's no different.

Each day students come to school expecting a regular day, without the knowledge of some funny incident that will occur to be remembered, such as falling down the steps on a slippery cold day, burning hair in chemistry class, or an unusual "slip of the tongue." Then, there are the camera memories, like prom, that will live eternally on the wall at home.

Join in on recapturing the '92-'93 school year, as you are seen "Makin' Memories."

THE WARRIOR BEAT

The 1992 Spirit Week started out sloppy. Wednesday, October 14, was Slob/Bad Hair Day. Everyone came to school looking sloppy and feeling comfortable. Christie Rose said, "I enjoyed Slob Day because people had a chance to be themselves." The senior class won this dress-up day, with 59 percent participating. There was a bonfire-pep rally that evening, where the cheerleaders pepped up the spirited students. The classes prepared skits for this event, and the junior class prevailed.

Thursday, October 15, was Cowboy/Indian Day. Many students came to school

looking Western or all painted up as Indians. The senior class again won this day, with 58 percent. Cynthia Broce said, "I think Cowboy/Indian Day let everybody go out and dress as true cowboys and cowgirls. Ride'em, cowboys!"

Friday, October 16, was the traditional Maroon and Gold Day. The Senior class also won this day, with 84 percent. The powderpuff football game was played during the day. The seniors were victorious over the juniors, and the sophomores overrode the freshmen. In final results, the sophomore class eliminated the seniors, while taking the title of 1992

powderpuff winner.

Each class prepared a bulletin board for Spirit Week. They were judged, and the sophomores came in first, then the freshmen, seniors third, and juniors fourth.

On Friday, the cheerleaders prepared a fifteen-minute pep rally and got everyone pepped up for the big game.

It was finally time. The Pocahontas Warriors stomped the Tygarts Valley Bulldogs, 35 to 7! Everyone was happy and celebrated at the Homecoming Dance,

During Bad Hair/Slob Day, junior Jesse Johnson was proud to show off his creative outfit.

Waiting for the next play to take place, the seniors look to their coaches for assistance, while the juniors are ready to attack their opponents.

During halftime of powderpuff football, juniors Kim Farmer, Joanna Burr-Kinderman, Laura Hefner, Angela Waybright, Krisli Matheny, Michelle Smith, and P.J. Shafer talk about the day's events.

Is it the Bobbsey Twins or the Bushy Twins? Senior Frances Kellison and sophomore Nadine Kellison are showing their spirit on Bad Hair Day.

During the Junior/Senior game, Cynthia Broce and Laura Hefner charge down field hoping to make it by the seniors' front.

Senior Shawn Bosley takes a break from coaching his team during powderpuff.

Junior Sean Mickle is cheering his class on during the powderpuff football game.

MEMORIES ARE FOREVER!

The theme for the 1992 Homecoming was "Get the Bear, the Warrior High Bear," and there was definitely a bear as the P.C.H.S. Band led the Homecoming Court, in fancy coverdibles, to the field. After the attendants and their escorts were seated, the activities began.

On October 16 at 7:15, Senior Night took place. All seniors who were members of the football team, cheerleading squad, or band were recognized, along with their parents.

After the pre-game ceremony, the Warriors came on the field ready for action. Early in the first quarter, junior Bobby Holbert ran a four-yard touchdown, which psyched the Warrior team and fans.

In the second quarter Shawn Bosley, senior, cut loose to score three-, twenty-three-, and one-yard touchdowns. This brought it to the half, where the Mighty Warriors led 28 to 7.

The much-anticipated halftime activities were sparked off when the P.C.H.S. Marching Band took the field. The Homecoming Court anxiously walked across the field to "You Are So Beautiful." The freshman attendant and escort were Corey Gladwell and Jimmy Campbell; sophomore attendant and escort were Ruthana McNeel and Travis Taylor. Kristi Matheny and Bryan Snyder were the junior attendant and escort. Senior attendant and escort were Monica Varner and Brian Shinaberry. Candidates for Homecoming Queen were Holly Ryder, Lauri

Hess, and Amanda Irvine. Candidates for Homecoming King were Brian Beverage, Mark Kane, and Jamie Burke. "From a Distance" was played during the crowning. Last year's queen, Dawnn McLaughlin, was present to honor **1992 Homecoming Queen, Amanda Irvine. Jamie Burke was Homecoming King.**

The Warriors went on to finish with a 35 to 7 victory over the Tygarrs Valley Bulldogs. The traditional dance was held after the game, sponsored by the junior class.

Homecoming '92 seems to be bringing smiles to the faces of Jamie Burke, senior, and Marion McKean, junior.

Standing in the offensive position, the Warriors are about to add another touchdown to the score of the Homecoming game.

Showing their school spirit during Homecoming, are the P.C.H.S. band members, minus their uniforms, which they needed to keep dry for the Forest Festival Parade the next day.

Angela Waybright, junior, Amy Groseclose, sophomore, and Laura Hefner, junior, help the varsity cheerleaders cheer the Warriors to a victory during the Homecoming game.

Senior Leslie Hollandsworth and freshman Johnnie Boggs "dance the night away," at the Homecoming dance.

Memorable Moments

Sadie Hawkins Day started out this year with the life-saver relay. Although it took quite awhile to finish this event, we finally moved on to the egg-spoon relay. After these two events we had the softball relay, pie-eating contest, and the crab race. Bubble gum was given out later on, and we all watched to see who could blow the biggest bubble. Some girls got on the boys

backs and were carried across the floor for the piggy-back contest, and then jumped in the sack for the three-legged race. No, it's not a wheelbarrow. It's a couple of girls carrying the guys around for the wheelbarrow race. The final event was the bean-splitting contest, which ended the 1992-93 annual Sadie Hawkins Day.

The winners this year were the seniors

with 34 points; in second place were amazing freshmen with 30 points. Coming close behind were the sophomores, who had 23 points. The juniors worked hard, still came in last with 25 points.

Sadie Hawkins Day is always a day to remember!

Get 'em up, cowboys! is what seems to be on freshman Mike Allakos's mind while Warner seems to be enjoying the day.

During Sadie Hawkins Day, sophomores Jeff McCorr and Amy Nicely pass the ball during the neck-and-ball relay to try to win the day.

sophomore Travis Dean is eating his way to victory in the pie-eating contest.

seniors Doria Groves and Roger Tingler seem to be concentrating steadily on passing the egg to win for the senior class.

freshman Danny Vandevender is blowing with all his might to try and win the bubble-blowing contest.

Showing off the picture background are junior Terri Harper and her date, Steve Riley.

Appearing to be having a good time at the prom are seniors Lauri Hess and Brian Pufenbarger.

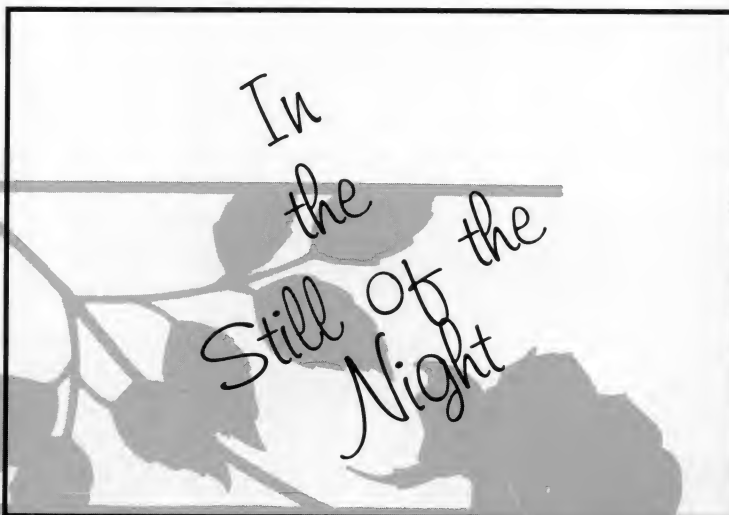

Prom '93 began at 8:30 at Silver Creek Resort. Students and teachers alike joined together to dance the night away. A dinner at Silver Creek was held prior to the prom. "In the Still of the Night" was the theme that was selected by the voting junior class.

Gold, black, and silver heightened the prom's atmosphere. An exciting activity was the selection of junior attendants and prom king and queen. This year's prom king was Jayson and queen was Kristie.

Junior attendants were Shana Groseclose and Jason Walton.

An after-prom party was held following the prom at Silver Creek. Prizes were handed out at the after-prom party. Exciting prizes included pizzas, calculators, a cassette player, and even high-landers. Movies were shown in the Greenbrier Room. Swimming and the hot tub were available. A breakfast of doughnuts and fruit was served, ending the prom activities at 6 a.m.

Junior Angela Waybright and her date, Mark Gordon, pose for a picture before prom.

Taking a break from the action of the after-prom party is junior John Michael Kane.

Relaxing during the after-prom party are Mr. and Mrs. Rexrode.

Prom '93 seems to be bringing smiles to the faces of senior Kim Hall and her date, Eric Gainer.

Posing for pictures before prom are senior Amanda Irvine and her boyfriend, Randall Coleman.

In The Still Of

How Sweet! Seniors Marty Coleman and Cindy May share a special prom moment.

Kenny Mallow acted as the life of the prom. Before getting ready for his next running dance, he takes a small break.

It's Doug Lantz and Laura Simmons at the prom, caught laughing at another one of Doug's jokes.

Senior, Christie Rose and her date, Donald Cook are awaiting their next prom dance while standing in the lounge area.

Enjoying refreshments at the prom are Cindy Gainer and John Paul Burks.

Prom queen Kristie Calhoun and king, Jayson Cain are all smiles.

Taking time out from dancing to socialize are seniors, Michelle Deverage and Robin Burgess.

Happy to be at prom '93' is Tina Dean and escort, P.C. Dean.

Makin' Faces

Hey! It's the student body of Pocahontas County High School posing their best for class pictures. The students are Makin' Faces, usually smiles, but occasionally a few frowns followed by some natural looks.

All through our lives, whether we realize it or not, we're Makin' Faces. Facial expressions show exactly how we are feeling — a "dead giveaway" if we don't want others to know our most intimate feelings. Sad feelings are generally expressed with a bland face and a frown, whereas happy feelings are shown by a big smile.

Take a look at the P.C.H.S. student body "Makin' Faces."

The 104 seniors at Pocahontas County High School have, in their opinions, "Made it Worth the Trip." Four years of awakening early in the morning and getting home late in the evening exhausted has finally paid off with diplomas in their hands. Although one's senior year is confusing, with ordering announcements, pictures, and caps & gowns, it is one long-awaited year.

The senior officers put plenty of planning into what was a nice way to end their high school years. Not only did they organize participation and speak at Awards Day, but later they will organize reunions. "It is an honor to represent our senior class," vice president Laura Payne said.

Senior Scott Sharp enjoys Powderpuff.

Looking on at the powderpuff football game are Marty Coleman and Jason Hefner.

Investing her free time wisely, Monica Varner catches up on needed sleep in the gym.

Another part of the senior year is English class. Tina Danna awaits the end of her English class.

Wham! Talk about pie in the face! Winning the "pie in the face" contest is Jayson Cain, while Mr. Wade takes his retribution.

Wake up, James, you're in the gym at school! Standing tall is Jamie Burke, as he stands cool with his loafers, baggy jeans, and leather coat.

The new plastic milk bags are an added attraction for this year. Trying out this new device is Christie Rose.

Where We've Been . . .

The 104 seniors at Pocahontas County High School have had plenty of time to soak in the atmosphere. We've completed the basic requirements: sitting through English class, running in P.E., dissecting frogs as sophomores, and being lectured in history class. We've energetically run the halls, comfortably sat on the stage and outside. Where we've eaten in the cafeteria since freshmen now has music playing, and we have converted to using plastic milk bags. Not only have our drinking utensils changed, we have as well.

As we have changed, we need to look ahead to find a future. Our future may be getting a job, going to college, or perhaps a trade school. Although our

future will change, we hope to keep our contact with friends who have been there for us throughout our high school years.

Today we're uneasy about our future; we'd like to know exactly what we'll

"Socializing with friends during my free time has been a favorite activity for me while attending P.C.H.S.," says Christo Arthur.

be doing for the next twenty years. Looking enthusiastically toward graduation, we'll continue to think of where we've been and where we're going.

JUNIORS

The Junior year is a very important one. Even though only two courses (American History II and English) are required, there are many tests to be taken, such as PSAT, ACT, and PACT. But test-taking isn't the only important thing the juniors do. They are responsible for two of the biggest events of the year, the Homecoming Dance and PROM!! There are always several disagreements in choosing the place, color, theme, and dinner menu, but their experienced sponsors seem to help them make the right choices to make it the perfect evening.

Class officers were Shana Groseclose, President; Laura Hefner, Vice President; Jennifer Moore, Treasurer; Kristi Matheny, Secretary.

The Junior Class Sponsors were Mrs. Wiley, Mrs. Rexrode, Mr. Rexrode (director), Mrs. Rose, Mr. Tupper, Mr. Beverage, Mrs. Friel, Mrs. White, and Dr. McNeel.

SOPHOMORES

Being a sophomore can be a real struggle. It's a big hassle, still being an underclassman, but almost an upperclassman. Students need to make a lot of decisions during their sophomore year. However, they still have time to have fun.

Sophomores are required to take Biology and American History, along with English. These classes can create a lot of work, but the class was still filled with enthusiasm.

The sophomore officers were Tabitha Cutlip, President; Marcy Walker, Vice President; Ruthana McNeel, secretary; and Laura Simmons, Treasurer. They worked hard for their class for the duration of their sophomore year.

The teachers that made sure that the class kept everything in order were Mr. Ziegler (director), Mr. Sheets, Mr. Hall, Mr. Lambert, Mr. Bland, Mrs. Howell, Mr. O'Bryan, Mrs. Leary, and Ms. Blankenship.

SPORTS

Makin' the Point

In basketball, volleyball, and football, athletes strive to "Make the Point," and track members try to "Make the Time." Makin' the point, however, isn't the only part of sports.

In essence, if people are involved in sports, they do have to try to make it "worth the trip." Some students, when riding the activity bus, leave home in the morning with darkness and return to evening darkness. In order to even play in a home game, some athletes have to travel for about 30 miles.

Teamwork and dedication play a role when "Makin' the Point."

Makin' Spirits Soar

The 1992-93 Varsity Cheerleaders started their year out with cheerleading camp at the High School for two fun and exciting days with an Elite cheerleading representative. They learned lots of great new cheers, stunts, and dance routines.

The cheerleaders had a lot of work to do before their first football game. They practiced long and hard, learning new cheers

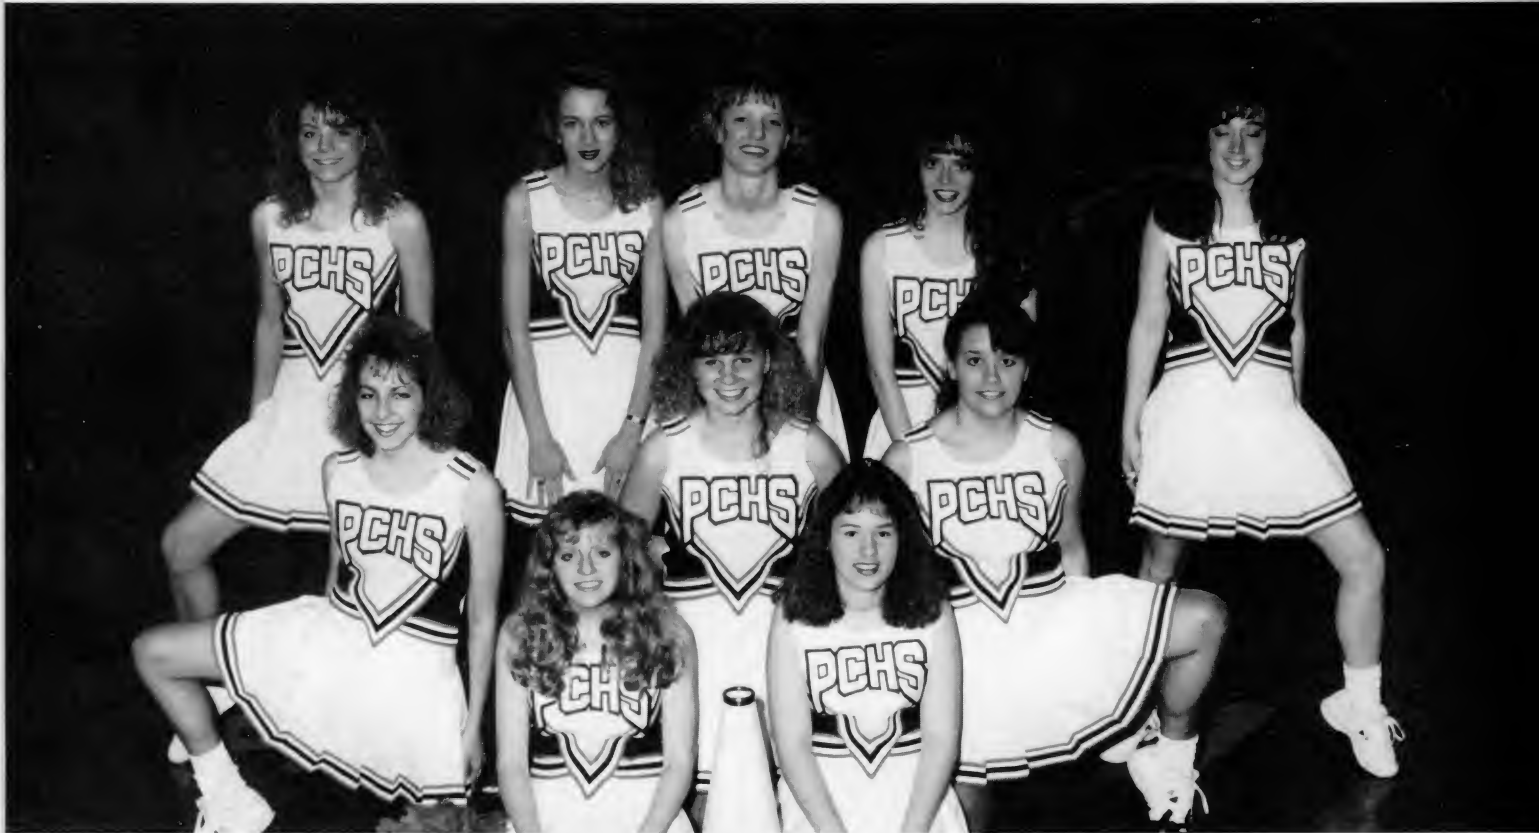

and teaching new cheerleaders old cheers. They had a lot of fun being together as they became one big family.

The cheerleaders also had fun cheering their team on at the games, whether it be home or away. They cheered whether it was raining or clear. They traveled all the way to Maryland on their last scheduled game, and cheered their team all the way

to playoffs, in the freezing, snow-blowing weather.

The cheerleaders had many after-school practices to prepare themselves for their games.

By the end of the football season the cheerleaders had accomplished much, and they were ready to start the basketball season. Again, much hard work and many hours on the road, but their spirits continued to soar!

On The Road Again!

The 1992 Warrior football team started their season with three wins, against East Hardy, Hinton, and Circleville. The Warriors were defeated by Richwood and Webster County. These, however, were two very close games.

The team started out the second month of the season with a loss at Petersburg's homecoming. The score to this game was 16-14; so again the Warrior team strived hard and came close. Next came the Pocahontas Homecoming, and the Warriors were determined to win. They all played to their best ability and defeated the Tygarts Valley Bulldogs 35-7.

The Warriors had two victories to Independence and Union, prior to the game that de-

termined if the team would go to the playoffs. This game was held in Northern Garrette County, Maryland. The Warriors beat the Huskies 14-6 and earned their first playoff spot ever!!

The first playoff game was held at Bunker Bill. The Pocahontas Warriors stomped the Musselman Applemen 26-7! Shawn Bosley had every touchdown and broke the record for the most yards run at a AA playoff! He had 265 rushing yards at this game!

Offense had an average of 22.6 points per game, while the defense allowed only 12.6 points per game.

The Warriors spent many hours on the road. The average number of miles per trip was 212, for an average of 7 hours

on the road per game! Five out of eight games on the road were won!

The second playoff game was held at Charleston's Laidley Field against Sissonville. The Warriors tried hard, but unfortunately the final score was Pocahontas 6 and Sissonville 17. Warrior fans were very proud at having gotten that far.

Some of the members of the team were chosen for the All-State Team. Stephen Taylor was selected on second team as punter; Jayson Cain, honorable mention as a nose guard; first, Shawn Bosley as running back; and Doug Lantz, honorable mention for left guard.

We're proud of our team!

Coach Barb seems excited about his team's accomplishments of the '92 football season, as he invites the students to the playoffs.

Pocahontas County was very proud of the football team this year. They made more accomplishments than ever. In fact, they came up from their big losing streak last year to the 15th ranked team in the state.

For playoffs, the Warriors first traveled 3½ hours to Bunker Hill to face the Musselman Applemen, who were ranked #2 in the state. Two minutes into the game, Bosley received a handoff, broke a tackle, and charged down the field for a 67-yard touchdown.

In the second quarter, Bosley came again after S. Taylor completed a 25-yard pass to M. Buzzard. Then Bosley broke two tackles to raise the score to 13-0 after S. Taylor's kick.

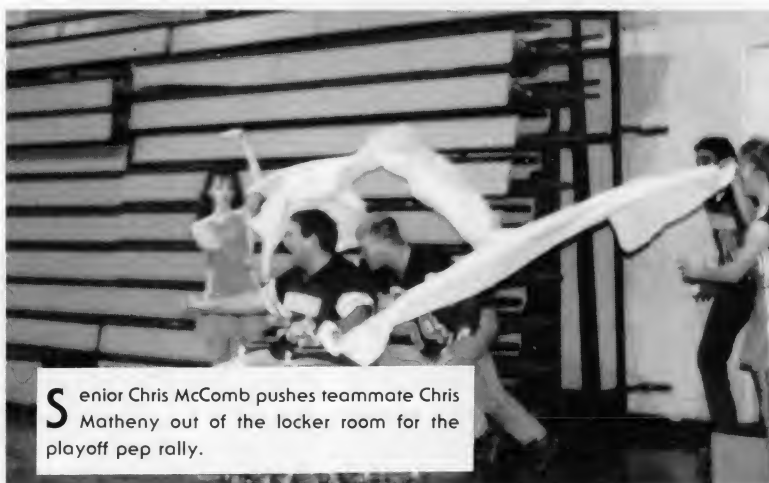

Bosley gave Pocahontas a 20-0 lead when he capped an 8-play, 91-yard drive with a 37-yard touchdown. With 10 seconds left in the 3rd quarter, a Musselman fullback made their only touchdown of the game.

In the fourth quarter, Bosley swept around the right end for his final score. The game came to a final with a 26-7 score.

Shawn Bosley's yardage total was a state class AA playoff record, breaking the old one set in 1984 by 29 yards against Musselman.

Juniors Brian Kelley and Chris McNeel discuss their first playoff game (at Musselman) while they wait to go back into the game.

The Warriors played their second playoff game in Charleston. This was the first game the Warriors played on a turf field. The First National Bank in Marlinton donated new turf shoes for the whole team. Other businesses in the county donated money for the team and the band members to eat with while in Charleston.

Pocahontas played a hard game but just didn't pull off another upset against the Sissonville Indians. The final score of the game was Sissonville 17 and the Warriors 6. CONGRATULATIONS, WARRIORS, ON A GREAT SEASON!

Makin' the Shot Count!

Determined is one word to describe the 1992-93 Varsity Girls Basketball team. They began practicing in the middle of August to get prepared for the busy but fun season of basketball. The girls had a very successful season, with a record of 13 wins and 7 losses. They had some very good close games throughout the year, and they hustled and worked hard the whole season. This took them into the first game of sectional tournaments against Greenbrier West Cavaliers, which they won by a score of 43-37! Unfortunately, the Lady Warriors were defeated 47-37 in the sectional finals by the Hinton Bobcats, who went on to win

states.

The ladies were coached by Bob Sheers and Jesse Peck.

The high achievers of this year's season were: Jennifer Young, who led the Lady Warriors with 403 points, 119 assists, and 82 steals. Katy Gay pulled down the most rebounds with 180, and Michelle Smith was "in their face" all season with the most blocks.

Both Jennifer Young and Mary Ann Carrer received Pocahontas County "player of the month." Jennifer Young also received second team all state.

 Sophomore Laura Simmons pulls down a defensive rebound and tries to get the ball to her teammate, freshman Mandy Snyder.

 While out-of-bounds, sophomore Marcy Walker, with an excellent passing form, tries to get the ball in to her teammates.

Makin' the Effort!

This year's junior varsity team was full of determination. They ended their season with a record of 7 wins and 5 losses.

With only 7 players, this young group of ladies had to play hard. Teamwork is a very important part of basketball. These girls had confidence in one another, which is a plus in playing together.

Sophomore Marcy Walker led the junior varsity team with a total of 121 points. The other girls distributed a lot of effort through points, rebounds, steals, assists, and blocked shots.

The junior varsity team consisted of one junior, four sophomores, and two freshmen. This year's junior varsity team was coached by Jesse Peck.

The girls all enjoyed the season. "It was a lot different from Middle School, but I really liked it and can't wait till next year," said freshman Mandy Snyder. Sophomore Laura Simmons said, "Basketball has been a lot of fun this year. The team has helped me improve a lot, and I'm really looking forward to next year."

Makin' it Worth While!

OUTSTANDING is only one of the many words that can be used to describe this year's varsity basketball team. This group of fine young men ended their season with a record of 16-8. Not to be outdone by the Warrior football team, the basketball team made their own appearance in Charleston!

The Warriors broke in the new scoreboard quite well with a 100-54 victory over Tygarts Valley. They were involved in the Dick Gunoe Memorial Tournament at Greenbrier East, where Pocahontas won their first game against Covington 70-47, but lost the championship game to East 50-65. The Ohio River Classic at Ravenswood saw the Warriors down Milton 67-64 and lose to Ravenswood 67-77.

The Warriors won their sectional game against Greenbrier West 82-68. Jayson Cain and Scott Garber were picked as All-Tournament players. Brian Beverage was named MVP of the section.

With .7 of a second left, Stephen Taylor swished his foul shot and sent the Warriors to Charleston with a 72-71 Regional victory over Shady Springs.

The Warriors traveled to the Civic Center in Charleston with high hopes but were defeated by the Bridgeport Indians 67-55. The Indians went on to become the AA state champs.

A few of the Warriors received special recognition. Brian Beverage made school history by being named to the first team AA All-State. He was also named captain of the New River Valley Conference first team. Scott Garber made the second team, and Stephen Taylor received honorable mention. Shawn Cain broke the school record for the most assists in one game with 13. Brian Beverage also set school records for the most points in a season (631) and career (1344). Way to go, guys!

Makin' Each Second Count!

The Junior Varsity basketball team was under the direction of coach Tom Herold.

There was much individual talent on the junior varsity team. Bobby Holbert was leading scorer with 270 points this year.

Although they have had a lot of ups and downs throughout the season, they all showed great teamwork and made the sport exciting to watch. They ended their season with a record of five wins and twelve losses.

This year's freshman team was coached

by Jesse Peck and John Snyder. Playing on a different level than they were used to, this young team stayed in stride with their competition. They ended their season with a record of six wins and seven losses.

B.J. Thomas lead the freshman team with 121 points, followed by Johnnie Boggs with 99 points for the season.

The freshmen competed in a tournament in Summersville and took third place. Jason Rolleston was named to the All-Tournament Team.

Makin' the Point Count

In its third year, the Volleyball team had both varsity and J.V. levels. Both teams were coached by Ruth Bland.

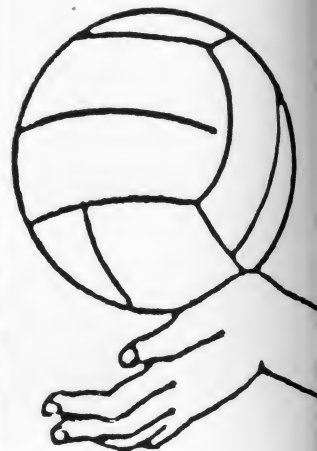

Over the years the teams have improved a great deal. They are learning more of the techniques to playing power volleyball correctly.

This year's varsity season ended with a record of three and ten. Although the ladies only won three games, they had a great time playing as a team. The junior varsity finished the season with four wins and four losses.

This year P.C.H.S. was in the sectional tournament with Athens, Shady Springs, and Greenbrier West. Pocahontas took third place, and Shady Springs won the sectional. Kim Farmer was named "Most Valuable Player" from Pocahontas. Jennifer Young was named Special Mention and Kim Farmer Honorable Mention on the All-State Team.

ON YOUR MARK — GET SET — GO!

The 1993 Warrior track team was saved by Mrs. Kay Wiley, who coached the girls, and Mr. Mike Shank, who coached the boys. The two new coaches seemed to grow with the team members. Even though the track team got off to a late start, they still worked to get in shape for their first meet. They stayed after school almost every day throughout the season. The track members didn't stay just for a boring day of running; they had fun and got to know each other. They built strong relationships.

The track team did very well at the meets. The team that went to states in the girls' 4 x 800 consisted of: Nikki Alikakos, Jennifer Moore, Shannon Owen, and Tabby Cutlip. Jennifer Moore went to states in the discus, also.

For the guys' team, Doug Lantz made it to the states in the open 800 race. His regional time was 2:07.4, and his state time was 2:06.5. On a whole, the 1993 track team had quite a successful year considering the odds against them. Many other schools that competed with Pocahontas were fully equipped with standardized tracks. Pocahontas, however, did not have the facilities that the other schools had. The team looked past that and strived to the finish line.

Concentrating on her position in the 4x8 team is sophomore Sara Peacock.

Seniors Makin' Memories In Sports!

Some of this year's graduating seniors worked hard to represent their school, as they participated in a variety of sports: football, basketball, cheerleading, volleyball, and track.

This being the seniors' last year, they put a lot into what they did, they worked hard, and had lots of fun doing it too!

The seniors will fondly remember their high school years. They will remember all the ac-

tivities, classes, and clubs they participated in, but most of all they will remember being part of the sports they played.

A lot of the seniors were awarded for their outstanding performances. They received plaques, certificates, etc. They played hard and worked well together as a team, and all the coaches and fans were very proud.

Band & Choir

The band had a very exciting year. To start the new year off right, they performed at the Pearl S. Buck Festival on September 19. The first competition was the Staunton Showcase, which took place on September 26. The band placed third and auxiliary placed second. On October 3 the marching band performed at the Forest Festival in Elkins. October 17 they competed at the Clay County Com-

petition, where the band placed second along with percussion, and auxiliary placed third. This was followed by the West Virginia Governor's Cup Competition located in Summersville on October 24, where military dress rated first. April 22 was the Regional Festival in Buckhannon. In addition to traveling all over the state, the band was hard at work raising money for new uniforms. They

reached their goal, raising around \$27,000.

The choir has some musical characteristics, also. They can perform very many places, they have a musical note, only seventeen members, can carry a note a long way to say the least. Two of the performances throughout the year were the Christmas concert and Spring Concert.

Graduation has finally come to Pocahontas County High School class of 1993.

The seniors have found an end to a busy but worthwhile year. However, in each of the graduates' lives has become a new beginning. New goals and dreams are awaiting the class of 1993 but will only be achieved by hard work and dedication. By optimistically looking ahead, the goals and dreams will be attainable.

Senioritis started early, as usual, with a countdown starting with about 40 days. On chalkboards and papers posted on the walls you could see the eager checks being made. Even before the 40 days, senior activities took place.

Senior planning for the future began September 17, 1992, with College Night. To glamorize things, senior portraits were taken September 29 and 30, 1992.

In preparation for their graduation, the seniors ordered the announcements, caps and gowns, and other senior paraphernalia. On January 13, 1992, seniors who were planning to attend college went to the Financial Aid Workshop. To begin the ultimate countdown, senior cap and gown pictures were taken April 2, 1993.

Finally Senior Week arrived, May 24-29. Senior activities included the luncheon, Awards Day, senior picnic, senior review day, exams, and graduation practice.

Thirteen years of school came to an end when graduation was held in the gymnasium on June 1, 1993, at 8 p.m.

The 1993 Honor Graduates are 1st row Stacey Sharpes, Christie Rose, Robin Burgess, Monica Varner and Sarah Burt-Kinderman. 2nd row Christina Jackson, Talena Dean, Shawn Cain, James Burke, Kristie Calhoun, and Leslie Hollandsworth.
